Wangari

Sustainable Innovations

At Wangari Sustainable Innovations, we are committed to create eco-friendly technology products that make a positive impact on the environment. Choosing bamboo as our primary material was a deliberate decision. Bamboo is not only a highly renewable resource but also incredibly durable, making it perfect for our range of tech accessories. By using bamboo, we aim to provide our customers with stylish, high-quality products that contribute to a greener planet.

EnTech

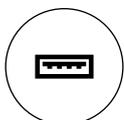

10000mAh Powerbank

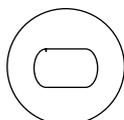

The advertisement graphic features a black EnTech 10000mAh powerbank as the central focus, set against a vibrant blue and purple background with glowing neon arcs. The powerbank is shown at an angle, with '10000mAh' printed on its top edge and '22.5W | Fast Charge' on its side. The EnTech logo and '10000mAh Powerbank' text are prominently displayed in the upper left. The EVM logo is in the upper right. A circular seal with '1 YEAR WARRANTY' is positioned to the right of the powerbank. In the bottom left of the graphic, '22.5W' is accompanied by a green lightning bolt icon, and 'QC+PD' is written below it. At the bottom right, the text 'Available Color : ' is followed by a white circle icon.
